

Connection Order 25346-D03-2020

Appendix 2 to Decision 25346-D01-2020	November 27, 2020
Capital Power Generation Services Inc. Connect Strathmore Solar Project to FortisAlberta Inc.'s Distribution System	Proceeding 25346 Application 25346-A001

Solar Krafte Utilities Inc., by Application 25346-A001, registered on February 7, 2020, applied to the Alberta Utilities Commission for an order to connect the Strathmore Solar Project to FortisAlberta Inc.'s distribution system. On July 31, 2020, Solar Krafte submitted that it had conditionally sold the project to Capital Power Generation Services Inc. (Capital Power) and requested that any approval the Commission issued be issued to Capital Power.

The Commission approved the application in Decision 25346-D01-2020,¹ and granted Capital Power an order to connect the Strathmore Solar Project to FortisAlberta's 25-kilovolt distribution system, pursuant to Section 18 of the *Hydro and Electric Energy Act*. This approval is subject to the provisions of the *Hydro and Electric Energy Act* and the *Alberta Utilities Commission Act*, any regulations made under the acts, any orders made under the acts, the Commission rules made pursuant to the *Alberta Utilities Commission Act*, and the following terms and conditions:

1. Capital Power may connect the power plant to the distribution system in northwest quarter of Section 12, Township 24, Range 25, west of the Fourth Meridian, as indicated in the application.
2. The specifications of the connection shall be as set out in the application.
3. The connection shall be operated so that except under short-term emergency conditions:
 - (a) The flows of real and reactive power are those for which the connection is designed and which it is intended to carry on a continuous basis.
 - (b) No excessive surges of 60-hertz power or excessive exchange of power frequency harmonics shall occur between the systems connected.
4. This order is not transferable unless approved by the Commission.

¹ Decision 25346-D01-2020: Solar Krafte Utilities Inc., Capital Power Generation Services Inc. – Strathmore Solar Project, Proceeding 25346, Application 25346-A001, November 27, 2020.

The Commission may cancel or suspend this order, in whole or in part, in accordance with Section 41 of the *Hydro and Electric Energy Act* or may review this order, in whole or in part, upon its own motion or upon an application by an interested party, in accordance with Section 10 of the *Alberta Utilities Commission Act*.

The Commission may, within 30 days of the date of this order and without notice, correct typographical, spelling and calculation errors and other similar types of errors and post the corrected order on its website.
