

Decommission and Salvage Approval 26113-D01-2020

AltaLink Management Ltd. Transmission Line 80L Decommission and Salvage Time Extension	November 27, 2020 Proceeding 26113 Application 26113-A001
--	---

AltaLink Management Ltd., pursuant to Approval 24513-D02-2019,¹ has approval to decommission and salvage a segment of Transmission Line 80L from Red Deer 63S Substation to Innisfail 214S Substation and to salvage a portion of the transmission line immediately north of Innisfail 214S Substation in the Red Deer area. AltaLink also has approval to salvage 23 kilometres of the transmission line between Red Deer 63S Substation and Innisfail 214S Substation. The completion date for the decommission and salvage of segments of the transmission line was stipulated to be on or before December 1, 2020.

AltaLink, by Application 26113-A001, registered on November 24, 2020, applied to the Alberta Utilities Commission for approval of a time extension to November 30, 2022, to complete the decommission and salvage of segments of the transmission line.

AltaLink has provided information respecting the need, nature and the duration of the requested time extension. Based upon the information provided, AltaLink has demonstrated that the requested time extension is of a minor nature.

The Commission, pursuant to sections 14, 15, 19 and 21 of the *Hydro and Electric Energy Act*, approves the time extension application and grants to AltaLink approval to complete the decommission and salvage of segments of the transmission line, subject to the provisions of the *Hydro and Electric Energy Act* and the *Alberta Utilities Commission Act*, any regulations made under the acts, any orders made under the acts, the Commission rules made pursuant to the *Alberta Utilities Commission Act*, and the following terms and conditions:

1. AltaLink shall notify the Commission within 30 days of completing the salvage that it has been completed in accordance with the provisions of this approval.
2. Unless otherwise authorized by the Commission, the salvage shall be completed by November 30, 2022.

Approval 24513-D02-2019 is rescinded.

¹ Decommission and Salvage Approval 24513-D02-2019, Proceeding 24513, Application 24513-A001, May 2, 2019.

The Commission may cancel or suspend this permit and licence, in whole or in part, in accordance with Section 41 of the *Hydro and Electric Energy Act* or may review this permit and licence, in whole or in part, upon its own motion or upon an application by an interested party, in accordance with Section 10 of the *Alberta Utilities Commission Act*.

The Commission may, within 30 days of the date of this permit and licence and without notice, correct typographical, spelling and calculation errors and other similar types of errors and post the corrected permit and licence on its website.
