Rocky Power Plant and Interconnection

NEXUS Energy Associates Ltd. has filed applications for a four-megawatt natural gas-fired power plant near Rocky Mountain House

Proceeding 26191
Applications 26191-A001 and 26191-A002

The Alberta Utilities Commission (AUC), the independent utilities regulator, will be considering the power plant development applications in Proceeding 26191. If you feel you may be affected by this application you can provide input to the AUC to review before it makes its decision.

Written submissions are due February 8, 2021.

NEXUS Energy Associates Ltd. has applied to construct and operate a four-megawatt natural gas-fired power plant designated as the Rocky Power Plant in Legal Subdivision 13, Section 27, Township 42, Range 8, west of the Fifth Meridian. The proposed project would be located on undisturbed Crown land and consist of four individual natural gas-fired generators. NEXUS also applied to connect the proposed power plant to the Alberta Interconnected Electric System via the FortisAlberta Inc. electric distribution system. The applications have been filed under the *Hydro and Electric Energy Act*.

Additional information about the applications

The applications and any associated documents are publicly available and can be accessed from the eFiling System on the AUC website www.auc.ab.ca. Alternatively, for more information about what is being applied for, or for a copy of the applications, please contact:
