## Genesee Generating Station Units 1 and 2 Repowering Project

Capital Power Generation Services Inc. has filed an application to alter units 1 and 2 of the Genesee Generating Station power plant in the Genesee area

**Proceeding 26204**  
**Application 26204-A001**

The Alberta Utilities Commission (AUC), the independent utilities regulator, will be considering the power plant alteration application in Proceeding 26204. If you feel you may be affected by this application you can provide input to the AUC to review before it makes its decision.

**Written submissions are due February 5, 2021.**

Capital Power Generation Services Inc. has applied to alter units 1 and 2 of the Genesee Generating Station by converting the units from dual-fuel to natural gas combined-cycle and to increase the total generation capability of each of the units from 430 megawatts to 732 megawatts. The power plant is located in the south half of Section 25, Township 50, Range 3, west of the Fifth Meridian. The application has been filed under the *Hydro and Electric Energy Act*.
