

Notice of application eReserve3 Battery Energy Storage Project

TERIC Power Ltd. has filed an application to construct and connect a power plant in the Clairmont area

**Proceeding 26221
Application 26221-A001**

The Alberta Utilities Commission (AUC), the independent utilities regulator, will be considering the power plant development application in Proceeding 26221. If you feel you may be affected by this application you can provide input to the AUC to review before it makes its decision.

Written submissions are due February 16, 2021.

TERIC Power Ltd. has applied to construct and operate a 20-megawatt battery energy storage power plant, to be designated as the eReserve3 Battery Energy Storage Project. The power plant would be located in the southeast quarter of Section 2, Township 73, Range 5, west of the Sixth Meridian, approximately 10 kilometres northeast of the hamlet of Clairmont. TERIC also applied to connect the proposed battery energy storage facility to the Alberta Interconnected Electric System via the ATCO Electric Ltd. distribution system. The application has been filed under the *Hydro and Electric Energy Act*.

Additional information about the application

The application and any associated documents are publicly available and can be accessed from the eFiling System on the AUC website www.auc.ab.ca. Alternatively, for more information about what is being applied for, or for a copy of the application, please contact:
