## 2021 system access service rate update

### **Proceeding 26256 EPCOR Distribution & Transmission Inc.**

The Alberta Utilities Commission, the independent utilities regulator, will be considering the application for EPCOR Distribution & Transmission Inc.'s 2021 system access service (SAS) rate update to ensure that the delivery of Alberta's utility service takes place in a manner that is fair, responsible and in the public interest. If you feel you may be affected by this application, you can provide input to the AUC to review before it makes its decision.

EPCOR has filed an application requesting approval for an update to its 2021 SAS rates effective April 1, 2021, reflecting the Alberta Electric System Operator's 2021 Independent System Operator tariff update (Decision 26054-D01-2020).<sup>1</sup>

### **Written submissions are due February 3, 2021.**

To register your concerns, or your support for the application, please visit the AUC website and log in to the eFiling System to file your submission for Proceeding 26256. If you do not have access to the internet, send your name, address, phone number, organization you are representing, description of your interest in the proceeding, position including information in support of the position and reasons why the AUC should decide in the manner recommended, and whether further process is required. If no written submissions are received, the Commission may make its decision without further notice or process.
