

# Notice of application Kakwa River Gas Plant industrial system designation

**Pembina Gas Services Ltd. has filed an application to designate the Kakwa River Gas Plant as an industrial system**

**Proceeding 26117  
Application 26117-A001**

The Alberta Utilities Commission (AUC), the independent utilities regulator, will be considering the industrial system designation application in Proceeding 26117. If you feel you may be affected by this application you can provide input to the AUC to review before it makes its decision.

**Written submissions are due January 27, 2021.**

Pembina Gas Services Ltd. has applied, pursuant to the *Hydro and Electric Energy Act*, for an industrial system designation for its on-site power plant at the existing Kakwa River sour gas processing plant. The power plant consists of three 5.63-megawatt natural gas-fired generating units, one 1.4-megawatt natural gas-fired generating unit and two emergency backup diesel generating units. Pembina intends to connect the power plant to the ATCO Electric Ltd. distribution system. The Kakwa River Gas Plant is located 130 kilometres south of Grande Prairie in Legal Subdivision 8, Section 13, Township 63, Range 5, west of the Sixth Meridian.
