Transmission 2018-2019 general tariff application second compliance filing

Proceeding 26264 ATCO Electric Ltd.

The Alberta Utilities Commission, the independent utilities regulator, will be considering the application for the ATCO Electric Transmission (ATCO Electric) 2018-2019 general tariff application second compliance filing to ensure that the delivery of Alberta's utility service takes place in a manner that is fair, responsible and in the public interest. If you feel you may be affected by this application, you can provide input to the AUC to review before it makes its decision.

ATCO Electric has filed an application requesting approval for its compliance to directions issued in decisions 24805-D01-2020,¹ 24805-D02-2020,² as well as outstanding directions from decisions 25139-D01-2020,³ and 25282-D01-2020.⁴

Written submissions are due February 5, 2021.

To register your concerns, or your support for the application, please visit the AUC website and log in to the eFiling System to file your submission for Proceeding 26264. If you do not have access to the internet, send your name, address, phone number, organization you are representing, description of your interest in the proceeding, position including information in support of the position and reasons why the AUC should decide in the manner recommended, and whether further process is required. If no written submissions are received, the Commission may make its decision without further notice or process.
