## Application for a determination of the compensation to be paid in relation to the alteration of service areas

### Proceeding 26318 EPCOR Distribution & Transmission Inc.

The Alberta Utilities Commission, the independent utilities regulator, will be considering EPCOR Distribution and Transmission Inc.'s application for a determination of the compensation to be paid by EPCOR to Battle River Cooperative REA Ltd. (BR REA) in relation to the Commission's approval of the alteration of EPCOR's and BR REA's service areas in Decision 25300-D01-2020,<sup>1</sup> to ensure that the delivery of Alberta's utility service takes place in a manner that is fair, responsible and in the public interest. If you feel you may be affected by this application, you can provide input to the AUC to review before it makes its decision.

In relation to the transfer of electric distribution system assets from BR REA to EPCOR, as directed in Decision 25300-D01-2020, based on the replacement cost (new) less depreciation method reflected in Section 29(4) of the *Hydro and Electric Energy Act*, EPCOR proposed a compensation amount of \$758,001.

### Written submissions are due March 4, 2021.

To register your concerns, or your support for the application, please visit the AUC website and log in to the eFiling System to file your submission for Proceeding 26318. If you do not have access to the internet, send your name, address, phone number, organization you are representing, description of your interest in the proceeding, position including information in support of the position and reasons why the AUC should decide in the manner recommended, and whether further process is required. If no written submissions are received, the Commission may make its decision without further notice or process.
