

Connection Order 26300-D03-2021

Appendix 2 to Decision 26300-D01-2021	February 25, 2021
Hays Solar GP Inc. Connect Hays Solar Power Plant to the FortisAlberta Inc. Distribution System	Proceeding 26300 Application 26300-A001

CS Hays Solar GP Inc., pursuant to Order 24423-D03-2019,¹ has approval to connect the Hays Solar Power Plant to FortisAlberta Inc.'s 25-kilovolt electric distribution system.

Hays Solar GP Inc., by Application 26300-A001, registered on February 8, 2021, applied to the Alberta Utilities Commission to transfer ownership of the power plant and its associated connection order from CS Hays Solar GP Inc. to Hays Solar GP Inc., effective January 26, 2021.

The Commission approved the application in Decision 26300-D01-2021,² and granted Hays Solar GP Inc. an order to connect the Hays Solar Power Plant to FortisAlberta Inc.'s electric distribution system, pursuant to Section 18 of the *Hydro and Electric Energy Act*. This approval is subject to the provisions of the *Hydro and Electric Energy Act* and the *Alberta Utilities Commission Act*, any regulations made under the acts, any orders made under the acts, the Commission rules made pursuant to the *Alberta Utilities Commission Act*, and the following terms and conditions:

1. Hays Solar GP Inc. may connect the power plant to the distribution system in the southeast quarter of Section 13, Township 13, Range 14, west of the Fourth Meridian, as indicated in previous applications.
2. The specifications of the connection shall be as set out in previous applications.
3. The connection shall be operated so that except under short-term emergency conditions:
 - (a) The flows of real and reactive power are those for which the connection is designed and which it is intended to carry on a continuous basis.
 - (b) No excessive surges of 60-hertz power or excessive exchange of power frequency harmonics shall occur between the systems connected.
