Industrial System Designation

Proceeding 26123
Application 26123-A003

1195714 Alberta Ltd., by Application 26123-A003, registered on November 25, 2020, applied for an industrial system designation for the Empress NGL Straddle Plant.

The Alberta Utilities Commission, pursuant to Section 4 of the *Hydro and Electric Energy Act*, sections 2(1)(d) and 117 of the *Electric Utilities Act*, and Decision 26123-D01-2021,¹ grants to 1195714 Alberta Ltd. this order for an industrial system, subject to the provisions of the *Hydro and Electric Energy Act*, the *Electric Utilities Act* and the *Alberta Utilities Commission Act*, any regulations made under the acts, any orders made under the acts, the Commission rules made pursuant to the *Alberta Utilities Commission Act*, and the following terms and conditions:

1. The industrial system designation encompasses all electric facilities at the Empress NGL Straddle Plant. These facilities are located in Cypress County in the northeast quarter of Section 2, Township 20, Range 1, west of the Fourth Meridian, as further described in the application.
2. The industrial system shall be comprised of the following major electric facilities:
 - Empress NGL Cogeneration Power Plant (45 megawatts).
 - Distribution facilities and equipment of less than 60 kilovolts serving the Empress NGL Straddle Plant.
3. The electric energy produced from and consumed by the subject industrial system is exempt from the operation of the *Electric Utilities Act*.
4. 1195714 Alberta Ltd. shall notify the Commission of any proposed changes to the subject industrial system including changes in ownership that may result in contravening the principles and the criteria set out in Section 4 of the *Hydro and Electric Energy Act* and applied by the Commission in its decision to grant the application.
5. 1195714 Alberta Ltd. shall notify the Commission of any proposed changes to the subject industrial system that may affect other parties and (or) adjacent occupants, and shall make an
