

Notice of applications Killarney Lake Solar Project

Aura Power Renewables Ltd. has filed applications for a solar power plant in the Municipal District of Wainwright

Proceeding 26286 Applications 26286-A001 and 26286-A002

The Alberta Utilities Commission (AUC), the independent utilities regulator, will be considering the power plant development applications in Proceeding 26286. If you feel you may be affected by these applications you can provide input to the AUC to review before it makes its decision.

Written submissions are due March 29, 2021.

Aura Power Renewables Ltd. has applied to construct and operate a 22.5-megawatt solar power plant, designated as the Killarney Lake Solar Project, and to connect the power plant to the FortisAlberta Inc. electric distribution network. The proposed power plant would be located within the northeast quarter of Section 36, Township 41, Range 3, west of the Fourth Meridian, as shown in the attached map. The applications have been filed under the *Hydro and Electric Energy Act*.

Additional information about the applications

The applications and any associated documents are publicly available and can be accessed from the eFiling System on the AUC website www.auc.ab.ca. Alternatively, for more information about what is being applied for, or for a copy of the applications, please contact:
