**EDF Renewables Development Inc. Ownership Transfer
Proceeding 26306
Application 26306-A002**

Power plant approval and substation permit and licence ownership transfer

1. EDF EN Canada Development Inc., pursuant to Approval U2013-300¹ and Permit and Licence 22514-D02-2017,² has approval to operate the Blackspring Ridge Wind Power Plant and Blackspring Ridge 485S Substation, located in the Carmangay, Alberta area.
2. EDF EN Canada Development Inc., by Application 26306-A002, registered on February 9, 2021, filed an application with the Alberta Utilities Commission under Section 19 of the *Hydro and Electric Energy Act*, to reflect the corporate name change from EDF EN Canada Development Inc. to EDF Renewables Development Inc. in the power plant approval and substation permit and licence for the Blackspring Ridge Wind Power Plant and Blackspring Ridge 485S Substation.
3. In accordance with the requirements of Section 23 of the *Hydro and Electric Energy Act*, EDF Renewables Development Inc. is registered in Alberta under the *Business Corporations Act*.³ Based upon the information provided, EDF Renewables Development Inc. has demonstrated that it is eligible to hold the power plant approval and substation permit and licence in its name.
4. The Commission grants the approval of the requested ownership name change for the power plant approval and substation permit and licence.
5. The Commission finds Condition 5 in Approval U2013-300 has been satisfied. Accordingly, Condition 5 of Approval U2013-300 has been removed.
6. The Commission has not received documentation in response to Condition 6 in Approval U2013-300. Accordingly, Condition 6 of Approval U2013-300 remains as-is in the approval. This condition will be added as a direction in the Commission's eFiling System.
