2. The filing included an attestation letter from a senior officer of ENMAX in accordance with the format approved as part of ENMAX's energy price setting plan (EPSP). The attestation letter stated the senior officer had conducted a review of the filing and affirmed that the rates had been determined in accordance with the EPSP for 2019 to 2022. ENMAX's EPSP was approved by the Commission in Decision 24721-D01-2020,<sup>1</sup> Decision 25537-D01-2020<sup>2</sup> and Disposition 25537-D02-2020.<sup>3</sup>
