

Notice of hearing cancellation

Dunmore Solar Energy Project

Proceeding 26485 **Applications 26485-A001 and 26485-A002**

The Alberta Utilities Commission has cancelled the virtual hearing for Proceeding 26485. The hearing was to consider the applications and submissions received for the applications filed by Dunmore Solar Inc. in Proceeding 26485.

The Commission issued a notice of hearing for Proceeding 26485 on July 7, 2021, after it had determined that Stan Weiss, Dayna Felesky and Felesky Cattle Co. Ltd. (represented by Dayna Felesky) met the test for standing under Section 9(2) of the *Alberta Utilities Commission Act*. No other persons requested standing in the proceeding.

The Commission cancelled the hearing because Stan Weiss and Dayna Felesky (for herself and for Felesky Cattle Co. Ltd.) each filed letters with the Commission stating that they wished to formally withdraw their objections to the Dunmore Solar Energy Project because their concerns have been addressed by Dunmore Solar Inc., and that no further AUC process or conditions are necessary in order to address their concerns.¹

The Commission will continue to consider the applications and submissions filed in the proceeding, without holding a hearing, and a decision on the applications will be issued in due course.

Issued on August 19, 2021.
