

Notice of hearing MHS-11 Substation Project

The City of Medicine Hat has filed applications for a substation project in the southwest area of Medicine Hat

Proceeding 27417
Applications 27417-A001 to 27417-A003

The Alberta Utilities Commission (AUC), the independent utilities regulator, will be holding a hearing to review the applications and submissions received to consider the electric transmission development applications in Proceeding 27417.

Written evidence is due September 23, 2022.

The City of Medicine Hat has applied to construct a new substation and modify an existing transmission line to connect to the substation in the southwest area of the city of Medicine Hat to meet growing electrical needs of the area. The applications have been filed under the *Hydro and Electric Energy Act*.

The map included with this notice identifies the preferred and alternate substation locations applied-for by the City of Medicine Hat. The Commission may approve either location.

Additional information about the applications

Basic information about the City of Medicine Hat MHS-11 Substation Project can be found on the AUC website under “Applications > Featured applications.” The applications and any associated documents are publicly available and can be accessed from the eFiling System on the AUC website www.auc.ab.ca. Hearing

Further information about the hearing will be announced through the AUC’s eFiling System and website in mid-September.

If you intend to present evidence at the hearing, you must submit your written evidence by September 23, 2022, and be present at the commencement of the hearing.

Participant information session

The AUC holds information sessions to provide information about how to have your say and become involved in its proceedings. The AUC is prepared to provide a telephone or virtual session about options for participating in this proceeding and the local intervener funding that may be available to you to support your participation, if requested by individuals or groups interested in the proceeding. Please contact the lead application officer, Kyle Surgenor at 403-592-4386 or kyle.surgenor@auc.ab.ca by August 19, 2022 if you want to participate in an information session.

For more information about how you may become involved in this proceeding, please contact us or visit our website and review the information under “Get involved,” “AUC review process steps,” and “Review process for facility applications.”

Statements of intent to participate

If you wish to participate in this proceeding, and have not already filed a statement of intent to participate, please visit our website and log in to the eFiling System, go to Proceeding 27417, and register to participate under the “registered parties” tab. Alternatively, please contact us at 310-4AUC (310-4282) in Alberta or info@auc.ab.ca for more information or assistance with filing your statement of intent to participate. Statements of intent to participate are due by August 12, 2022.

Statements of intent to participate must include your name, address, phone number, legal land location, description of your land in relation to the proposed development and a description of how you, your land, your business, or your activities may be affected by the proposed project. Please also briefly describe the issues you would like the AUC to consider when making its decision.

Only parties that have filed a statement of intent to participate and have been granted standing may be eligible for funding and to fully participate in the hearing.

Privacy

To support an open and transparent process, information you send to the AUC will be publicly available to anyone registered in this proceeding. If there is confidential information you would like to file, a request must be made in advance of filing your submission.

Participating in the hearing

If you intend to present evidence at the hearing, you must submit your written evidence by September 23, 2022, and be present at the commencement of the hearing. Your written evidence should include a statement about your intended level of participation, including whether you or your representative will:

- Attend the hearing.
- Cross-examine any of the applicant’s witness panels.

Written evidence can be reports prepared by experts or written information (including maps, charts, photographs and narrative statements) prepared by an intervener personally, and clearly identified as such. Any report that was prepared by an expert, and which is being filed in support of an intervener’s position, must clearly state the qualifications of the expert and the name of the intervener who directed that the report was to be prepared. Please be aware that the author of any

report or other written evidence that an intervener expects the Commission to rely upon must be available to be cross-examined at the hearing.
