

Notice of revised hearing

Vauxhall Solar Farm

Solar Krafte Utilities Inc. has filed applications for a solar power plant near the town of Vauxhall

Proceeding 27077

Applications 27077-A001 and 27077-A002

The Alberta Utilities Commission (AUC), the independent utilities regulator, will be holding a hearing to review the applications and submissions received to consider the power plant development applications in Proceeding 27077.

Written evidence is due July 28, 2022.

Solar Krafte Utilities Inc. has applied to construct and operate a 60-megawatt solar power plant, designated as the Vauxhall Solar Farm, and the associated Solstice 549S Substation. The applications have been filed under the *Hydro and Electric Energy Act*. The project would be located on approximately 260 hectares of private land in the Municipal District of Taber, and would be located approximately five kilometres northwest of the town of Vauxhall. Specifically, the project area would cover the following sections and as illustrated in the map below:

Section	Township	Range	Meridian
NW17, W20, SW28, E29, E30, SE31	13	16	4

The proposed Solstice 549S Substation would be located in the southwest quarter of Section 28, Township 13, Range 16, west of the Fourth Meridian.

Additional information about the applications

The applications and any associated documents are publicly available and can be accessed from the eFiling System on the AUC website www.auc.ab.ca. Participating in the hearing

If you intend to present evidence at the hearing, you must submit your written evidence by July 28, 2022, and be present at the commencement of the hearing. Your written evidence should include your statement about your intended level of participation, including whether you or your representative will:

- Attend the hearing.
- Cross-examine any of the applicant’s witness panels.

Written evidence can be reports prepared by experts or written information (including maps, charts, photographs and narrative statements) prepared by an intervener personally, and clearly identified as such. Any report that was prepared by an expert, and which is being filed in support of an intervener’s position, must clearly state the qualifications of the expert and the name of the intervener who directed that the report was to be prepared. Please be aware that the author of any report or other written evidence that an intervener expects the Commission to rely upon must be available to be cross-examined at the hearing.
