

# Notice of hearing

## Transmission Line 150L Rebuild

### AltaLink Management Ltd. has filed an application to rebuild Transmission Line 150L in the Springbank area

**Proceeding 27523**  
**Application 27523-A001**

The Alberta Utilities Commission (AUC), the independent utilities regulator, will be holding a hearing to review the application and submissions received to consider the electric transmission development application in Proceeding 27523.

**Statements of intent to participate are due September 1, 2022.**

**Written evidence is due October 13, 2022.**

AltaLink Management Ltd. has applied to salvage and rebuild approximately 27 kilometres of Transmission Line 150L. AltaLink has proposed a preferred route, which predominantly follows the existing alignment, as well as several alternate route segments, as shown in the map attached to this notice. The Commission may approve any of the proposed routes. The application has been filed under the *Hydro and Electric Energy Act*.

#### **Additional information about the application**

Basic information about the [Transmission Line 150L Rebuild](#) can be found on the AUC website under “Applications > Featured applications.” The application and any associated documents are publicly available and can be accessed from the eFiling System on the AUC website [www.auc.ab.ca](http://www.auc.ab.ca). #### **Participant information session**

The AUC holds information sessions to provide information about how to have your say and become involved in its proceedings. The AUC is prepared to provide a telephone or virtual session about options for participating in this proceeding and the local intervener funding that may be available to you to support your participation, if requested by individuals or groups interested in the proceeding. Please contact the lead application officer, Trevor Richards at 403-592-4469 or [trevor.richards@auc.ab.ca](mailto:trevor.richards@auc.ab.ca) by August 19, 2022, if you want to participate in an information session.

For more information about how you may become involved in this proceeding, please contact us or visit our website and review the information under “Get involved,” “AUC review process steps,” and “Review process for facility applications.”

### **Statements of intent to participate**

If you wish to participate in this proceeding, please visit our website and log in to the eFiling System, go to Proceeding 27523, and register to participate under the “registered parties” tab. Alternatively, please contact us at 310-4AUC (310-4282) in Alberta or [info@auc.ab.ca](mailto:info@auc.ab.ca) for more information or assistance with filing your submission. Statements of intent to participate are due by September 1, 2022.

Statements of intent to participate must include your name, address, phone number, legal land location, description of your land in relation to the proposed development and a description of how you, your land, your business, or your activities may be affected by the proposed project. Please also briefly describe the issues you would like the AUC to consider when making its decision.

The AUC may make its decision without further notice or process if no written submissions are received.

### **Privacy**

To support an open and transparent process, information you send to the AUC will be publicly available to anyone registered in this proceeding. If there is confidential information you would like to file, a request must be made in advance of filing your submission.

### **Participating in the hearing**

If you intend to present evidence at the hearing, you must submit your written evidence by October 13, 2022, and be present at the commencement of the hearing. Your written evidence should include your statement about your intended level of participation, including whether you or your representative will:

- Attend the hearing.
- Cross-examine any of the applicant’s witness panels.

Written evidence can be reports prepared by experts or written information (including maps, charts, photographs and narrative statements) prepared by an intervener personally, and clearly identified as such. Any report that was prepared by an expert, and which is being filed in support of an intervener’s position, must clearly state the qualifications of the expert and the name of the intervener who directed that the report was to be prepared. Please be aware that the author of any report or other written evidence that an intervener expects the Commission to rely upon must be available to be cross-examined at the hearing.
