## Vauxhall Solar Farm

**Proceeding 27077**  
**Applications 27077-A001 and 27077-A002**

The Alberta Utilities Commission has cancelled the virtual oral hearing for Proceeding 27077, which was scheduled to commence on October 17, 2022, via web conference. The hearing was to consider the applications filed by Solar Krafte Utilities Inc. requesting approval to construct and operate a 60-megawatt solar power plant, designated as the Vauxhall Solar Farm, and the associated Solstice 549S Substation.

The Commission cancelled the hearing in response to the withdrawal of the Brown Group from the proceeding, and in response to a subsequent motion from Solar Krafte to cancel the hearing.

The Commission has established a new process schedule to allow limited final submissions from the Municipal District of Taber. The Commission will review these submissions, and a decision will be issued in due course.

Issued on August 26, 2022.
