

# Notice of hearing cancellation Granum Solar Energy Project

## **Proceeding 27906 Applications 27906-A001 and 27906-A002**

The Alberta Utilities Commission has cancelled the virtual oral hearing for Proceeding 27906, which was scheduled to commence on February 12, 2024, via web conference. The hearing was to consider the applications filed by Kiwetinohk Energy Corp. requesting approval to construct and operate a 350-megawatt solar power plant, designated as the Granum Solar Energy Project, and the associated Champion 1110S Substation.

The Commission cancelled the hearing in response to the withdrawal of the Badger Flats Landowners Group and the Badger Flats Water Well Association from the proceeding and a subsequent motion from Kiwetinohk Energy Corp. to cancel the hearing.

The Commission has established a new process schedule to allow limited final written submissions from the Municipal District of Willow Creek No. 26 and Kiwetinohk Energy Corp.

Issued on February 5, 2024.
